git

BeeCon 2016

Where/When/How

BeeCon 2016

Maidenhead Office

BeeCon 2016

Work in Progress

BeeCon 2016

Points to Remember

1. Early idea validation
2. Engineers own story breakdown
3. Shared ownership (process, code, tests, bugs)
4. No surprises on backlog
5. Innovation, maintenance & features all prioritised on backlog
